Hello everyone,

We have an update from Mrs. Colbert

Hi,

Just arrived in Budapest -staying at the Hilton and guess what, there is an ALDI across the road!!!!!

Dubai was an amazing city - spotlessly clean - nothing out of place! The Architecture was unbelievable and the City was bustling! We caught the sightseeing bus, went on a river cruise and a desert safari. We all have henna painted hands (except Bern and Russell). Mez screamed the whole dune buggy experience - I sat in the front with the driver - it was magic!!! We are having a great time, Lynne Colbert (Photos on the back)

Message from the Principal

Hi everyone. Firstly I would like to thank all parents for their prompt completion and return of the parent opinion survey. The kids were delighted to be receiving their prizes so quickly.

A big thankyou to Mrs Smyth for filling in for music and art whilst I am performing the Acting Principal role. She has a great rapport with the kids and they have been thoroughly enjoying the sessions with her. There is an opportunity for the kids to win $100 worth of books by completing a research project with our local Speech Therapist Jess Carr. If you are interested in this please see the details about registration on the back of the newsletter. Regards Mr Collins (Acting Principal)
