Message from the Principal

Hi everyone. On Demand testing will be starting next week for the Grade 3-6 class. These tests will be held on 3 consecutive Tuesdays and will be aided by Mrs Lightburn, Leanne, Yoli and myself. We are looking forward to getting some great results from our hard working kids. Brittany Henderson (Leanne’s daughter) will be coming to our school for 4 days next week to complete her work experience. Brittany is a familiar face at our school and we are excited to have her helping us in the classroom. All of the kids have been working really hard to earn tickets for a raffle we will be having on the last day of my stint as acting principal. The raffle is used as an incentive for hard work and cooperation both in the classroom and outside in the yard. Staff have begun collecting the prizes and as the raffle draws closer and the kids are doing everything they can to earn extra tickets. Have a great weekend! Regards Mr Collins (Acting Principal)
