Hello everyone,

Thankyou to the people who brought in the jars for our upcoming art activity. We are still looking for more so if you have any at home can you please send them in with the kids. The grade 3-6 class have completed 2 out of 5 of their On-Demand tests. The results from the testing so far, have indicated some fantastic improvement in both reading and mathematics which is great to see. The remaining 3 tests will take place over the next 2 weeks. Grade 3/4 Camp is next week and all campers are expected to meet at Camp Curumbene at 9:30am. There will be parents traveling to the camp from Raywood so if anyone is worried about finding the camp please call the school and we will organise a car for you to follow out.

We are still studying the Olympic games and have had our T.V on during school time to give the kids as much exposure to the different events as possible. Go Australia!

Coming Events:
- ♦ 3/4 School Camp on August 17th-19th.
- ♦ Book Week Dress-Up Day on August 25th

Message from the Principal

Hi everyone. This week has been a great week with the Olympics running and Brittany Henderson attending our school for work experience. It was Brittany's last day today and on behalf of all staff and students I would like to thank her for the contribution she has made with all of the kids. Children are still working hard to earn raffle tickets for our big raffle to be drawn in 3 weeks time. Keep up the hard work kids. On August 25th the school will be holding a book week celebration. The kids will need to dress up like a character from a book for our parade at 9:00am. Following the parade the kids will do a range of activities with Sue our Marc Van teacher. I spent some time with the kids explaining the importance of telling a teacher when they have an issue both in or outside of the classroom. I would love for all parents to reinforce this behaviour so that any altercation can be dealt with in a prompt and fair manner. Have a great weekend!
Friday 5th of August 2016—Term 3
