YARD DUTY AND SUPERVISION POLICY

**Help for non-English speakers**

If you need help to understand the information in this policy please contact the school office.

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Raywood Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Raywood Primary School's grounds are supervised by school staff from 8.45am until 3.35pm. Outside of these hours, school staff will be able to supervise students inside the building if arranged with the principal beforehand.

Parents and carers will be advised through reminders in our newsletter that they should not allow their children to attend Raywood Primary School outside of these hours. Families will be encouraged to contact the Principal if arrangements need to be accommodated outside the supervised hours.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- Remind them of the supervision arrangements before school
- Work with the parent/carer to make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day (an no prior arrangement has been made with the school), the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- Where no contact has been made and there are concerns, contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard Duty

All staff at Raywood Primary School are expected to assist with yard duty supervision and will be included in the yard duty timetable. Temporary adjustments and changes of this timetable will be communicated to staff as soon as practicable via the weekly administration notes and on the daily organiser on the staffroom whiteboard.

The Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Raywood Primary School.

Yard Duty Zones

Raywood PS has one designated yard duty zone. The yard duty supervisor is expected to supervise all outside areas during yard duty, paying particular attention to ensuring no students are in any out of bounds areas, such as behind the stadium, near or across from the driveway and behind the rear school water tank.

Yard Duty Responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the school ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have signed in (excluding drop off and collection periods)
- ensure students remain in the permitted areas
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate
- If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a responsible student to locate another staff member who can take over duty and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the next classroom teacher or another available teacher for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

Digital devices and virtual classroom

Raywood Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Raywood Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised within the classroom environment.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.
